

Cockscomb Veterans

Bush Retreat Inc.

*Open To All Service & Ex Service People
All Emergency Services Welcome*

Set in the hills on the southern side of Mt Wheeler, Cockscomb Veterans Retreat is centrally placed between Rockhampton and the Capricorn Coast, both being half an hours drive in either direction. It is also an ideal starting point to access the Central Highlands and far west Queensland.

The camp offers a quiet, tranquil and affordable place to relax, recuperate and enjoy the stress free, picturesque bush environment, panoramic views and abundant bird and animal life.

Cockscomb maintains sites suitable for motor homes, caravans, camper trailers and tents. 2x4 bed cabins are also available. The camp is not a caravan park as such, there is no dump point, no connectible water and no powered sites. The camp has adequate hot and cold shower and toilet facilities and the kitchen is solar powered with generator backup. Some limitations therefore apply but it is freely available for use after initial consultation with the resident caretaker. Limited access is available for 240 volt medical appliances. WiFi and phone services can be accessed however you may have to move around to find a spot. It is recommended that you have mosquito & insect repellent for the night time activities.

It's possible to book ahead by contacting the Caretaker on 0475 591 027 or email - cockscombvets@gmail.com. On entering the Retreat see the Caretaker and sign the visitors book.

There is no reticulated electricity, however there is a Solar battery system with a backup generator providing 240V power and lighting and refrigeration in the kitchen and the BBQ area.

The Bruce Acutt centre feature a large recreation, library and display area that converts quickly into an attractive venue for conferences, training programs, group excursions, community meeting and special occasions. It is available to all members of the community.
